September 2024

Dear Mobile Santa Partner,

Can you believe that it's already that time of year to be thinking about Christmas? While we realize it's still quite hot outside, before you know it, Santa will be hitting the streets to visit the families of Lindale, Mineola, and Van! This year, as with last year, we have made some necessary changes in consideration of the communities that we serve. This year we have started a campaign called "Nominate your Neighborhood" and have asked the communities to help determine which neighborhoods that Santa will visit. We have also begun construction on a new Mobile Santa trailer to be debuted this season!

This Christmas, we will be making strategic stops throughout neighborhoods and companies in the Lindale, Van and Mineola area during the week of December 7th to the 15th.

The backing of the community is vital to this organization. It will take \$5,000 this year to get our community event moving. Fuel, costumes, paint, lights, Santa's Chair, and supplies add up quickly. This ministry is free to the public and that will never change. Our volunteers are already working to get things prepared for the 2024 season—but we need your help! Please consider becoming a 2024 Mobile Santa Sponsor at one of the following levels:
